

1. Study Bratko, Sections 1.1 to 2.4.
2. Do Bratko, programming Exercises 1.4, 1.5.
For `grandchild(X, Y)`, `X` is the grandchild of `Y`, not the other way around. Similarly for `aunt`. Incorporate your relations into the program of Figure 1.8. Name your file `a08.pl`.
3. Do Bratko, written Exercises 1.7c, 2.1, 2.3.
Type your solutions in a text editor or word processor. Hand in your solutions in a pdf file named `a08written.pdf`.
